

TAFT IN HIS HOME CITY

Will Be Guest of Honor Tonight at Opening of the Cincinnati May Music Festival.

(Herald Special.)
Cincinnati, O., May 3.—President Taft received an enthusiastic welcome in his home city today. A great crowd gathered about the station to witness his arrival shortly after 10 o'clock this morning and he was loudly cheered as he stepped into an automobile which carried him to the home of his brother, Charles P. Taft. There was no entertainment arranged for the forenoon, the president desiring to be left free to receive some of his old friends and neighbors. With the members of his party he was entertained at luncheon at the home of Lucien Wilson.

Tonight the president is to be the guest of honor at the opening performance of the Cincinnati May Music Festival, an organization in which both he and his wife have for many years taken a warm interest. During an intermission in the performance the president will speak at the unveiling of the new memorial statue of Theodore Thomas erected in the foyer of Music Hall, where the festival is held. The statue, which is the first to be erected in memory of the great orchestra conductor, is of bronze and stands on a handsome granite pedestal. It is the work of Clement Barnhorn, a Cincinnati sculptor, and was erected by public subscription.

Immediately after the concert President Taft, the German ambassador and other guests of note will be taken to the Queen City Club, where they will be entertained at dinner by the May Festival Association. At 11:45 the president and his party will leave the city for St. Louis.
